LARGE RESIDENTIAL COMMUNITY CARE SETTINGS (con't)

3. The setting must notify each client receiving home and community care services when the amount in the client's account reaches \$200 less than the dollar amount determined under section 1611(a)(3)(B) and the fact that if the amount in the account (in addition to the value of the client's other nonexempt resources) reaches the amount determined under such section the client may lose eligibility for such medical assistance or for SSI benefits.
4. Upon the death of a client with such an account, the community care setting must convey promptly the client's personal finds (and a final accounting of such funds) to the individual administering the client's estate.
- g. Each large residential community care setting shall be required to inform each individual receiving community care under this section in the setting, orally and in writing at the time the individual first receives community care in the setting, of the individual's legal rights with respect to such a setting and the care provided in the setting.
- h. Each large residential community care setting shall be designed, constructed, equipped and maintained in a manner to protect the health and safety of clients, personnel and the general public.
- i. Nothing in this section shall be construed to require a large residential community care setting to provide or arrange for medical care or treatment to clients served under this benefit if the setting does not provide this care to other clients who receive similar services in the setting.
- j. Except to the extent dictated otherwise by State law, a large residential community care setting shall not be held responsible for the actions or inactions of persons not employed by the setting, who furnish medical care or treatment on its premises, when the setting has not arranged for the provision of care by these persons.
- k. A large residential community care setting must be licensed or certified under applicable State and local law.
- l. A large residential community care setting must meet such provisions of the most recent edition of the Life Safety Code of the National Fire Protection Association as are applicable to the type of setting.
 1. The State requests that HCFA waive certain provisions of this Code, which if rigidly applied would result in unreasonable hardship upon a setting. The State certifies that such a waiver would not adversely affect the health and safety of clients or personnel. The specific request for waiver and supporting documentation are attached.

 2. The State certifies to HCFA that there is in effect a fire and safety code, imposed by State law, which adequately protects clients and personnel in certain types of residential community care settings. The specific types of settings are identified in attached documentation. The State requests that the provisions of the State code be substituted for those of the Life Safety Code of the National fire Protection Association.
